email: jamsstaff@adair.k12.ky.us

### Dear Parents/Guardians:

Here is our school's report card for the 2002-2003 school year. This report card is full of important information, including academic performance, teacher qualifications, our learning environment, and much more. Please take a moment to learn more about our school. For a more detailed look at our school, please contact us to see our Expanded Report Card on file at school, which includes more information than we can provide here.

### The School Growth Chart:

To see how we're performing, please take a moment to examine our growth chart. This chart starts with our school's baseline CATS score from 2000. We've drawn a goal line from that starting point to our goal of 100 in 2014. Every two years a new index point will be marked on the chart to show whether we are meeting our goal and earning rewards, progressing but short of our goal, or falling far short of our goal and eligible for state assistance. Over time, these points will form a performance trend line for our school.

Year	Goal Line	Assistance Line	Index
2000	58.7		59.5
2002	64.5	58.7	63.1
2004	70.3	62.1	
2006	76.1	65.5	
2008	81.8	69	
2010	87.6	72.4	
2012	93.4	75.8	
2014	99.2	79.2	
Standard Error: 0.8			

### About Our School

Student success continues to be the top priority at John Adair Intermediate School. Activities to provide a positive transition from Col. Wm. Casey, our feeder elementary school, include spending part of a day visiting classrooms and eating lunch at JAIS. Students have seven core content classes include Reading, Language Arts, Math, Science, and Social Studies. Each Science teacher is focusing on one science content area. Students are rotating through 12-week blocks covering earth, life, & physical science. We have two other 12-week rotating block courses. TAP contains Title I Math, Art, & Principles of Music; CHaP contains Career Ed., Health, & P.E. Sixth grade students can participate in band. John Adair has a school-wide Title I program focusing on Math. 4th grade students remain in homeroom groups as they change classes. 5th & 6th graders are randomly grouped as classes change. John Adair has 34 certified staff members and 21 classified members. We have a library, computer lab, and Family Resource Center office. A variety of learning opportunities is available to our students. The faculty & staff of John Adair believe that all students can learn and achieve. We believe that our school's purpose is to educate all students while fostering growth in social and emotional behaviors, creativity, and independent thinking.

### How Our School Ensures Educational Equity

John Adair has goals and activities embedded in each academic area to improve the achievement and learning of all students regardless of gender, race, religion, ethnicity, ability, or socioeconomic level. Efforts are made to expose students to non-biased literature and textbooks, and to equip them with the knowledge and skills to make career choices based on individual needs, interests, and abilities. All students are taught to use mathematical, scientific, computerized, and other equipment while being exposed to diversity and equity issues throughout the year through activities that include guest speakers, field trips, videos, and the Internet. Our school website is: [adair.k12.ky.us/jais](http://adair.k12.ky.us/jais)

**School Enrollment (end of year membership 2002-2003): 412**

## How Our Students Perform

Kentucky uses the Commonwealth Accountability Testing System (CATS) to hold schools accountable for student progress. CATS has three parts: the Kentucky Core Content Tests, the national Comprehensive Test of Basic Skills (CTBS/5), and other measures of the school's performance, including attendance, retention and dropout rates. Together these three elements make up a school's CATS Performance Score for every two-year period.

### Kentucky Core Content Tests

Kentucky's tests rate student performance using four categories: Novice, Apprentice, Proficient, and Distinguished. These categories translate into a scale of 0-140, with 100 being considered proficient. The state goal for all schools is 100 by the year 2014. This chart compares our school's performance with all the schools in our district and all the schools in Kentucky.

KCCT Test	Novice			Apprentice			Proficient/Distinguished			Academic Index		
	School	District	State	School	District	State	School	District	State	School	District	State
Reading 4th	15%	11%	13%	31%	32%	25%	54%	57%	62%	77.9	82.1	83.5
Science 4th	11%	8%	8%	50%	53%	45%	38%	38%	47%	77.9	78.3	81.7
Writing 4th	31%	25%	14%	60%	61%	52%	9%	14%	34%	49.6	55	68.1
Mathematics 5th	32%	30%	31%	39%	39%	31%	30%	31%	38%	60.8	62.4	67.7
Social Studies 5th	45%	35%	27%	26%	26%	25%	30%	39%	48%	57.6	65.7	74.2
Arts & Humanities 5th	50%	50%	37%	36%	36%	39%	13%	13%	24%	44	43.6	55.4
PL/VS 5th	29%	23%	18%	34%	34%	29%	37%	43%	53%	62	68.3	77.4

The goal is that by 2014 nearly all students will score proficient or distinguished.

### National Norm Referenced Test

The national norm referenced test used in Kentucky, the CTBS/5, allows us to compare our students' performance with the performance of students across the country. These scores are reported in percentiles. A percentile of 60 would show that the average student in our school scored equal to or better than 60 percent of all students who took the test.

National Norm Referenced Test (CTBS/5)	School	District	State	Nation
6th Grade Reading	58%ile	59%ile	56%ile	50%ile
6th Grade Language Arts	50%ile	52%ile	52%ile	50%ile
6th Grade Mathematics	57%ile	57%ile	54%ile	50%ile

### Other Measures

The final component of CATS is our school's performance in Attendance, Retention, Dropout and Transition to Adult Life, where appropriate. (The Retention Rate is the percent of students who were not academically ready to go on to the next grade and had to repeat the grade.) Data in these tables reflect our performance during the 2001-2002 school year.

	Attendance Rate	Retention Rate	Dropout Rate
School	95.4%	2%	0%
District	94.8%	4.4%	3.4%
State	94.4%	3.6%	2.6%

### State Contest Results: Academic/Speech, Band, Chorus, and Orchestra

John Adair was pleased to have two students participate in state level contests. One student was a state finalist in the Conservation Poster Art contest. The other student won the district and was entered in the state AARP Kentucky Grandparent-of-the-Year Writing contest.

## Teacher Qualifications

This chart shows the level of teacher certification, continuing education, and classroom experience of our teachers. These numbers do not include our administrators, guidance counselors, or library media specialists. Please bear in mind that teachers may be fully certified and yet not possess a formal major or minor in the subjects they are teaching. Upon request, our district will provide information about the qualifications of your child's teachers and teachers' aides.

	Sch.	Dist.	State
% of Classes Taught by Teachers Certified for Subject and Grade Level	93%	97%	NA
% of Classes Taught by Teachers With a Major, Minor, or Equivalent in the Subject Being Taught	97%	97%	NA
% of Classes Taught by Teachers Who Participated in Content-Focused Professional Development	100%	100%	NA
% of Teachers with a Masters Degree or Greater or the Equivalent	87%	86%	71%
Average Years of Teaching Experience	14.2	12.7	11.9

## Our Learning Environment

### School Safety

Here's what we are doing to make our school safe for our students.

	Yes	No
Visitors are Required to Sign In	X	
All Parents received the District Discipline Code	X	
% of Classrooms with Telephone Access to Outside Lines	100%	

### Procedures in Place in Our School for Drug and Weapons Detection

John Adair does not have detection equipment in place. Procedures in Board Policy are followed as needs arise, based on the situation. We are very fortunate to now have three School Resource Officers from the Adair County Sheriff's Department working in our school system. We do not hesitate to contact our SROs or other Law Enforcement if needed. Our SROs make regular visits to all schools in the district. Visitors sign in and wear special tags. The school has a crisis response plan and team. Emergency drills are practiced on a regular basis. Our doors are locked from the outside. We review our emergency plan annually. We have an emergency command card and each classroom has an emergency guide and supplies. We have installed an alarm bell on our front door.

Violation	Number of Reported Incidents	Number of Students Suspended or Expelled for This	Number of Students Transferred to Alternative Placement for This
Aggravated Assault (with intent to cause injury)	0	0	0
Drug Abuse Violations	1	2	0
Weapons Violations	0	0	0

### Student Resources

	Spending per Student	Student/Teacher Ratio	Student/Computer Ratio	% of Classrooms with at Least One KETS Workstation with Internet Access
Our School	\$4515	15:1	5.6:1	100%
District	\$7110	14:1	4.7:1	100%
State	\$7033	16:1	5.8:1	100%

### How We Use Technology to Teach

Teachers have had training in STI and Curriculum Designer. Our Career Education rotation incorporates time in the computer lab working on keyboarding and technology skills. Classroom teachers are using a variety of software including Conerstone Math, Accelerated Math, Math Blaster, Accelerated Reader, Music Ace, Bill Nye Science, Science Court, Brain Pop, AverKey, Schlessinger Science Library, & Eyewitness Series. Internet and e-mail are provided to enhance instruction and student achievement. All students have access to computers for research and other instructional activities. Teachers are incorporating the use of the Microsoft Office suite, MS Word, MS Excel, & MS PowerPoint.

### Parental Involvement

	# of Students Whose Parent/Guardian Had at Least One Teacher Conference	# of Parents/Guardians Voting in School Council (SBDM) Elections	# of Parents/Guardians Serving on the School Council (SBDM) or Its Committees	# of Volunteer Hours
Our School	330	32	16	1000

Extracurricular Activities

John Adair students can participate on the Adair Co. Middle School girls and boys basketball, baseball, and softball teams as well as various Adair Co. High School teams such as track, cross country, tennis, and golf. We offer Extended School Services, including an after school Academic Recovery program, to all students. We have a Student Technology Leadership Program. Students can participate in an after school Garden Friends program sponsored by a PRIDE grant. Our PTA sponsors an annual Book Fair. Our PTA, Family Resource Center, & Title I programs work together to provide various student and parent programs.

Awards and Recognition

We have a student who was a finalist at the state level Conservation Poster Art contest and a student who won the district level and entered the state level of the AARP Grandparent-of-the-Year writing contest. John Adair held an awards program to recognize students who had scored Proficient or Distinguished on any part of the KCCT and those who scored at or above the 90th percentile on any part of the CTBS. Various attendance awards are given out during the year as well as at the end of the year. We have had several county and district winners in Poetry, Conservation and 4-H contests, demonstrations, & speaking events. Other awards and recognitions are given for Accelerated Reading Point Club, DARE, Spelling Bees, and various other poster and essay contests.

What We Are Doing To Improve

Continuous efforts are being made to improve parental communication and involvement through use of Wednesday Folders, teacher newsletters, committee memberships, volunteer work, PTA Title I home visitation, and phone calls. The Family Resource Center and Title I continue to fund Student Agendas that serve as an organizational tool and our Wednesday parent communication folder. Budget funding has continued to allow regular classroom and Title I teachers to make homevisits. Teachers review test scores for areas of curriculum improvement. Committees review and revise our Comprehensive School Improvement Plan each year.

How to Get More Information

Call, e-mail, fax or write to our principal at the number and address on the top of this School Report Card. You may contact your School Council Members at the numbers below. Visit our main office and ask for the Expanded School Report Card that contains a variety of information including Kentucky Core Content Test data and CTBS/5 national norm referenced test data disaggregated by gender, ethnicity, disability and other criteria. This disaggregated data is available to you at no cost. The remainder of the Expanded School Report Card may be free or provided at cost of copying.
